SPECIAL COMMITTEE ON THE SITUATION
WITH REGARD TO THE IMPLEMENTATION
OF THE DECLARATION ON THE GRANTING
OF INDEPENDENCE TO COLONIAL
COUNTRIES AND PEOPLES

ECONOMIC AND OTHER ACTIVITIES WHICH AFFECT THE INTERESTS OF THE PEOPLES OF THE NON-SELF-GOVERNING TERRITORIES

Resolution adopted by the Special Committee at its 1483rd meeting, on 16 September 1997

The Special Committee,

Having considered the item entitled "Activities of foreign economic and other interests which impede the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Territories under colonial domination",

Recalling General Assembly resolution 1514 (XV) of 14 December 1960, as well as all other relevant resolutions of the Assembly, including, in particular, resolution 46/181 of 19 December 1991,

Reaffirming the solemn obligation of the administering Powers under the Charter of the United Nations to promote the political, economic, social and educational advancement of the inhabitants of the Territories under their administration and to protect the human and natural resources of those Territories against abuses,

Reaffirming also that any economic or other activity that has a negative impact on the interests of the peoples of the Non-Self-Governing Territories and on the exercise of their right to self-determination in conformity with the Charter of the United Nations and General Assembly resolution 1514 (XV) is contrary to the purposes and principles of the Charter of the United Nations,

Reaffirming further that the natural resources are the heritage of the peoples of the Non-Self-Governing Territories, including the indigenous populations,

Aware of the special circumstances of the geographical location, size and economic conditions of each Territory, and bearing in mind the need to promote the economic stability, diversification and strengthening of the economy of each Territory,

Conscious of the particular vulnerability of the small Territories to natural disasters and environmental degradation,

Conscious also that foreign economic investment, when done in collaboration with the peoples of the Non-Self-Governing Territories and in accordance with their wishes, could make a valid contribution to the socio-economic development of the Territories and could also make a valid contribution to the exercise of their right to self-determination,

Concerned about any activities aimed at exploiting the natural and human resources of the Non-Self-Governing Territories to the detriment of the interests of the inhabitants of those Territories,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity, the South Pacific Forum and the Caribbean Community,

1. Reaffirms the right of peoples of Non-Self-Governing Territories to self-determination in conformity with the Charter of the United Nations and General Assembly resolution 1514 (XV), containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, as well as their right to enjoyment of their natural resources and their right to dispose of those resources in their best interest;

2. Affirms the value of foreign economic investment undertaken in collaboration with the people of the Non-Self-Governing Territories and in accordance with their wishes in order to make a valid contribution to the socio-economic development of the Territories;

3. Reaffirms the responsibility of the administering Powers under the Charter to promote the political, economic, social and educational advancement of the Non-Self-Governing Territories, and reaffirms the legitimate rights of their peoples over their natural resources;

4. Reaffirms its concern about any activities aimed at the exploitation of the natural resources that are the heritage of the peoples of the Non-Self-Governing Territories, including the indigenous populations, in the Caribbean, the Pacific and other regions, as well as their human resources, to the detriment of their interests, and in such a way as to deprive them of their right to dispose of those resources;

5. Affirms the need to avoid any economic and other activities which adversely affect the interests of the peoples of the Non-Self-Governing Territories;

6. Calls once again upon all Governments that have not yet done so to take, in accordance with the relevant provisions of General Assembly resolution 2621 (XXV) of 12 October 1970, legislative, administrative or other measures in respect of their nationals and the bodies corporate under their jurisdiction that own and operate enterprises in the Non-Self-Governing Territories that are detrimental to the interests of the inhabitants of those Territories, in order to put an end to such enterprises;

7. Reiterates that the damaging exploitation and plundering of the marine and other natural resources of the Non-Self-Governing Territories, in violation of the relevant resolutions of the United Nations, is a threat to the integrity and prosperity of those Territories;

8. Invites all Governments and organizations of the United Nations system to take all possible measures to ensure that the permanent sovereignty of the peoples of the Non-Self-Governing Territories over their natural resources is fully respected and safeguarded;

9. Urges the administering Powers concerned to take effective measures to safeguard and guarantee the inalienable right of the peoples of the Non-Self-Governing Territories to their natural resources and to establish and maintain control over the future development of those resources, and requests the administering Powers to take all necessary steps to protect the property rights of the peoples of those Territories;

10. Calls upon the administering Powers concerned to ensure that no discriminatory working conditions prevail in the Territories under their administration and to promote in each Territory a fair system of wages applicable to all the inhabitants without any discrimination;

11. Requests the Secretary-General to continue, through all means at his disposal, to inform world public opinion of any activity that affects the exercise of the right of the peoples of Non-Self-Governing Territories to self-determination in conformity with the Charter of the United Nations and General Assembly resolution 1514 (XV);

12. Appeals to the mass media, trade unions and non-governmental organizations, as well as individuals, to continue their efforts to promote the economic well-being of the peoples of the Non-Self-Governing Territories;

13. Decides to follow the situation in the Non-Self-Governing Territories so as to ensure that all economic activities in those Territories are aimed at strengthening and diversifying their economies in the interest of the peoples of the Non-Self-Governing Territories, including the indigenous populations, and at promoting the economic and financial viability of those Territories;

14. Decides to continue to examine this question and to report thereon to the General Assembly at its fifty-third session.

Special Committee on the Situation with Regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples

Military activities and arrangements by colonial Powers in Territories under their administration

Decision adopted by the Special Committee at its 1483rd meeting, on 16 September 1997

1. The Special Committee, having considered the item entitled "Military activities and arrangements by colonial Powers in Territories under their administration" and recalling General Assembly resolution 1514 (XV) of 14 December 1960 and all other relevant resolutions and decisions of the United Nations relating to military activities in colonial and Non-Self-Governing Territories, reaffirms its strong conviction that military bases and installations in the Territories concerned could constitute an obstacle to the exercise by the people of those Territories of their right to self-determination, and reiterates its strong views that existing bases and installations, which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, should be withdrawn.

2. Aware of the presence of such bases and installations in some of those Territories, the Special Committee urges the administering Powers concerned to continue to take all necessary measures not to involve those Territories in any offensive acts or interference against other States.

3. The Special Committee reiterates its concern that military activities and arrangements by colonial Powers in Territories under their administration might run counter to the rights and interests of the colonial peoples concerned, especially their right to self-determination and independence. The Committee once again calls upon the administering Powers concerned to terminate such activities and to eliminate such military bases in compliance with the relevant resolutions of the General Assembly.

97-24355 (E) 250997 290997

4. The Special Committee reiterates that the colonial and Non-Self-Governing Territories and areas adjacent thereto should not be used for nuclear testing, dumping of nuclear wastes or deployment of nuclear and other weapons of mass destruction.

5. The Special Committee deplores the continued alienation of land in colonial and Non-Self-Governing Territories, particularly in the small island Territories of the Pacific and Caribbean regions, for military installations. The large-scale utilization of the local resources for this purpose could adversely affect the economic development of the Territories concerned.

6. The Special Committee takes note of the decision of some of the administering Powers to close or downsize some of those military bases in the Non-Self-Governing Territories.

7. The Special Committee requests the Secretary-General to continue to inform world public opinion of those military activities and arrangements in colonial and Non-Self-Governing Territories that constitute an obstacle to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.

8. The Special Committee decides, subject to any directives that the General Assembly may give in this connection at its fifty-second session, to continue its consideration of the item at its next session.

Special Committee on the Situation with Regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples

Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations

Resolution adopted by the Special Committee at its 1483rd meeting, on 16 September 1997

The Special Committee,

Having considered the item entitled "Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations",

Having considered the reports submitted on the item by the Secretary-General[1] and the Chairman of the Special Committee on his consultations with the President of the Economic and Social Council,[2]

Recalling General Assembly resolutions 1514 (XV) of 14 December 1960 and 1541 (XV) of 15 December 1960 and the resolutions of the Special Committee, as well as other relevant resolutions and decisions, including in particular Economic and Social Council resolution 1996/37 of 26 July 1996,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity, the South Pacific Forum and the Caribbean Community,

Conscious of the need to facilitate the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples,

Noting that the large majority of the remaining Non-Self-Governing Territories are small island Territories,

Welcoming the assistance extended to Non-Self-Governing Territories by certain specialized agencies and other organizations of the United Nations system, in particular the United Nations Development Programme,

Stressing that, because the development options of small island Non-Self-Governing Territories are limited, there are special challenges to planning for and implementing sustainable development and that those Territories will be constrained in meeting the challenges without the continued cooperation and assistance of the specialized agencies and other organizations of the United Nations system,

Stressing also the importance of securing the necessary resources for funding expanded assistance programmes for the peoples concerned and the need to enlist the support of all major funding institutions within the United Nations system in that regard,

Reaffirming the mandates of the specialized agencies and other organizations of the United Nations system to take all the appropriate measures, within their respective spheres of competence, to ensure the full implementation of General Assembly resolution 1514 (XV) and other relevant resolutions,

Expressing its appreciation to the Organization of African Unity, the South Pacific Forum, the Caribbean Community and other regional organizations for the continued cooperation and assistance they have extended to the specialized agencies and other organizations of the United Nations system in this regard,

Expressing its conviction that closer contacts and consultations between and among the specialized agencies and other organizations of the United Nations system and regional organizations help to facilitate the effective formulation of assistance programmes to the peoples concerned,

Mindful of the imperative need to keep under continuous review the activities of the specialized agencies and other organizations of the United Nations system in the implementation of the various United Nations decisions relating to decolonization,

Bearing in mind the extremely fragile economies of the Non-Self-Governing small island Territories and their vulnerability to natural disasters, such as hurricanes, cyclones and sea-level rise, and recalling the relevant resolutions of the General Assembly,

Recalling General Assembly resolution 51/141 of 13 December 1996 on the implementation of the Declaration by the specialized agencies and the international institutions associated with the United Nations,

1. *Takes note* of the report of its Chairman on his consultations with the President of the Economic and Social Council,[2] and endorses the observations and suggestions arising therefrom;[3]

[3] See E/1997/81.

6. *Expresses its appreciation* to those specialized agencies and other organizations of the United Nations system that have continued to cooperate with the United Nations and the regional and subregional organizations in the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations, and requests all the specialized agencies and other organizations of the United Nations system to implement the relevant provisions of those resolutions;

7. *Requests* the specialized agencies and other organizations of the United Nations system and international and regional organizations to examine and review conditions in each Territory so as to take appropriate measures to accelerate progress in the economic and social sectors of the Territories;

8. *Requests* the specialized agencies and other organizations and institutions of the United Nations system and regional organizations to strengthen existing measures of support and formulate appropriate programmes of assistance to the remaining Non-Self-Governing Territories, within the framework of their respective mandates, in order to accelerate progress in the economic and social sectors of those Territories;

9. *Requests* the specialized agencies and other organizations of the United Nations system concerned to provide information on:

(a) Environmental problems facing the Non-Self-Governing Territories;

(b) The impact of natural disasters, such as hurricanes and volcanoes, and other environmental problems, such as beach and coastal erosion and droughts, on those Territories;

(c) Ways and means to assist the Territories to fight drug trafficking, money laundering and other illegal and criminal activities;

(d) The illegal exploitation of the marine resources of the Territories and the need to utilize those resources for the benefit of the peoples of the Territories;

10. *Recommends* that the executive heads of the specialized agencies and other organizations of the United Nations system formulate, with the active cooperation of the regional organizations concerned, concrete proposals for the full implementation of the relevant resolutions of the United Nations and submit the proposals to their governing and legislative organs;

14. *Requests* the administering Powers concerned to facilitate the participation of appointed and elected representatives of Non-Self-Governing Territories in the relevant meetings and conferences of the specialized agencies and other organizations of the United Nations system so that the Territories may benefit from the related activities of those agencies and organizations;

15. *Recommends* that all Governments intensify their efforts in the specialized agencies and other organizations of the United Nations system of which they are members to accord priority to the question of providing assistance to the peoples of the Non-Self-Governing Territories;

16. *Requests* the Secretary-General to continue to assist the specialized agencies and other organizations of the United Nations system in working out appropriate measures for implementing the relevant resolutions of the United Nations and to prepare for submission to the relevant bodies, with the assistance of those agencies and organizations, a report on the action taken in implementation of the relevant resolutions, including the present resolution, since the circulation of his previous report;

17. *Commends* the Economic and Social Council for its debate and resolution on this issue and requests it to continue to consider, in consultation with the Special Committee, appropriate measures for coordination of the policies and activities of the specialized agencies and other organizations of the United Nations system in implementing the relevant resolutions of the General Assembly;

18. *Requests* the specialized agencies to report periodically to the Secretary-General on the implementation of the present resolution;
